DUAL CHARACTER

Studio 3 Pipeline has a floor area of 5m x 6m is the smallest of our studios but it is also one of our most versatile.

The studio offers a solid white wave-form infinity cyclorama 3.5m high – while directly opposite the cyc. the studio entrance is set-finished as a rustic interior with old timber walls, wooden floor, corrugated iron cladding and a sash window – with the studio doors closed it forms a perfect set to shoot in or use as a background.

The change room is set finished in a playful baroque style with rich ochre colours and funky wall treatments. The studio is air conditioned. The only natural light source streams in above the entrance through opaque windows. These windows can be blacked out.
